Have discussed Cubana landing requests with Foreign Minister. He will not permit landing Keflavik, and in any event request was for "technical stop Reykjavik". Foreign Minister is naturally concerned over obligations under Chicago Convention but is keeping in close touch with his Ambassador to NATO and will go along with whatever is generally agreed upon.

Re DEPTTEL 154, only crew members names mentioned in Cuban request were Captain Cesar Alarcon and co-pilot Manuel Blanco.

Foreign Minister

now informing Cubans no reply can be given until matter is considered by Cabinet which can not meet until next week.
